About Pahal Horizon

Pahal Horizon is a leading research journal dedicated to advancing knowledge and understanding in social sciences, humanities, and management. Our platform serves as a catalyst for interdisciplinary research and collaboration, addressing pressing global issues and contributing to positive societal change.

Internship Details

As a Research Intern at Pahal Horizon, you will have the opportunity to work closely with our esteemed team of editors and researchers on a variety of projects related to global challenges. From conducting literature reviews and data analysis to contributing to research articles and publications, you will play a vital role in advancing our mission of knowledge dissemination and impact.

Eligibility Criteria

- Currently enrolled in a Bachelor's/Master's program
- Strong academic background with a demonstrated interest in research and scholarly inquiry.

Program Modules

Module 1: Literature Review and Survey Basics

- Understanding its importance and role in research.
- Designing questionnaires, sampling methods, and data collection techniques.
- Qualitative and quantitative approaches.

Module 2: Fieldwork and Data Collection

- Hands-on experience in conducting fieldwork
- Implementing methodologies learned in Module 1
- Practical exposure to data collection tools and technologies
- Ethical considerations in data collection

Module 3: Data Analysis and Research Writing

- Introduction to data analysis techniques
- Hands-on training in data analysis
- Structuring a research report
- Practical exercise in writing a research report

Join us this winter and be part of something extraordinary!
